

Netley Sea Scouts
4th Itchen South (Sir Harry Crichton's Own)

Dear Parent / Carer

Please find attached the Christmas Webb Ivory catalogue. Every order raises funds for Netley Sea Scouts group. Please share the catalogue with your family and friends as 25% of all orders go directly to the group.

I will be placing several orders between now and Christmas, but recommend that you place your order as soon as possible as some items can become out of stock and personalised items take longer to be delivered. The first order will be placed on or around 8 October.

Please complete the attached order form(s) and hand to your child's leader with your payment (exact cash or cheque payable to '4th Netley Scout Group') in an envelope marked 'Webb Ivory'. If you require further order forms or have any queries please email fundraising@netleyseascouts.com or telephone 023 8040 6761 (evenings only). You will be contacted by email / phone when your order is ready and I will arrange delivery.

Remember – every £4 you spend, £1 goes direct to Netley Sea Scouts, so please support the group by sharing the catalogue with as many people as possible. I look forward to receiving your orders.

Kind regards

Sharon Exton
